*Every Resident is Part of Our Family Tree*

*Because We Care.*

*Every Resident is Part of Our Family Tree*

## *Peace of Mind for Residents & Family*

Our special care residence, The Meadows, offers seventeen apartments for those living with some degree of memory loss. Residents are assisted by a dedicated and compassionate personal care staff who are skilled and ready for such daily tasks as bathing and dressing, housekeeping, laundry, medication management, coordination of health care services and customized diets.

Many exceptional amenities are provided for residents of The Cedars such as a beauty salon/barber shop, community room, fitness/rehabilitation room, community room chapel and many cultural and recreational programs.

## *Respite Try it, you'll like it!*

Need a get away? Try our short term/temporary stay program. Partake in every aspect of community life with exceptional, maintenance-free living, three nutritional meals per day, 24-hour care, individual service plan, planned activities seven days per week or socialize at the pub, book clubs and discussion groups. Enjoy arts projects, entertainers and so much more. Most important of all, while you are here, you will be surrounded by people who will quickly become very dear to you. You will be treated with great care, respect and dignity.

In need of extra care or emotional support related to an upcoming medical need such as prior to a surgical procedure or hospital stay? We can help! Our trained and experience staff will ensure that you are ready for any procedure by providing excellent personalized care pre and post your hospitalization or surgery. Eating well and great care will support your fast and solid recovery.

## *Hospice Care Your home away from home*

The Cedars Assisted Living also provides seniors with a short-term residential option that delivers the care that is most needed at a significant time of life.
